“We need to relax, we need balance,” says Wynonna. “Everybody’s just processing a lot of stuff. I’m constantly talking about my own healing and recovery process. I was famous at 18, I’m an introvert, and I’ve battled anxiety since the beginning of the Judds. We finally found

something that works for me and I want my fans to benefit as well.”

“We are thrilled to partner with Wynonna Judd,” says CeleBriDy Brands founder Brian Mayes. “Wynonna is not just a legendary artist, but a trusted friend to fans worldwide. She has shared her life with them for nearly four decades, and they trust her. And that is why it was imperative that we create a premium product that is worthy of her name. Wynonna put her personal touch on WYNONNA CBD products from start to finish, and we know they will help people tune in to themselves and the things that really matter.”
