*Renowned Car Accident Attorney Tyler Nicoll Secures \$300,000 Settlement for Woman Injured by Delivery Truck*

NAPLES, FLORIDA, UNITED STATES, February 26, 2021 /EINPresswire.com/ -- Tyler Nicoll [Naples Car Accident Attorney](#) successfully negotiated a \$300,000 settlement for a [Fort Myers](#) woman for injuries she sustained in a motor vehicle collision with a delivery truck. Trial Pro's client was stopped for traffic on Fowler Street in Fort Myers, Lee County, Florida. A commercial delivery truck driver failed to exercise proper care and violently rear-ended the unsuspecting woman's vehicle. The force of the impact propelled the woman's vehicle into the back of a third vehicle.

Trial Pro's client felt immediate and severe pain in her neck and back and was taken to the local emergency room. The injured woman sustained significant injuries to her neck and back which required months of care from orthopedic specialists. Her injuries negatively impacted her ability to work and resulted in significant financial distress. Unfortunately, despite the woman's significant economic losses and permanent injuries, the delivery truck's employer refused to fairly compensate her for her damages.

Trial Pro attorney Tyler Nicoll was committed to obtaining his client the full value of her claim.
