

Opry Star Jim Ed Brown's Life Comes To Audiobook

Becky Brown's Intimate Story Of Life With Opry Star Jim Ed Brown, GOING OUR WAY, Available Now As Audiobook

PLEASANT VIEW, TN, UNITED STATES, March 1, 2021 /EINPresswire.com/ -- When Becky Perry Brown began receiving requests for an audio version of GOING OUR WAY, she knew only one person could narrate the book: her daughter, Kim Corwin. "She speaks so closely to my voice in both tone and experience," Becky observes. "It is very personal, and I know a lot of it was difficult for her, but she did a brilliant job, and I am so proud of her. I hope everyone enjoys it." The audiobook is available from [Amazon](#) and [Audible](#). Fans can now listen to a sample.

Brown and writing collaborator Roxane Atwood tell the Browns' incredible journey --from their Arkansas raisings to their first date, to the production of Jim Ed's last album - and the life lived in between.

"It was hard for me at some points," recalls narrator Kim. "I lived through all of that, although from a different perspective, but it was definitely difficult to re-visit some of the more emotional episodes. I love both of my parents, and my mom is probably the strongest person I know, so it was important for me to do the best I could. I just hope I did the reading justice," she adds.

“

I knew that my daughter Kim would be perfect as the narrator. She speaks so closely to my voice in both tone and experience. I am so proud of the job she did."

It is a compelling story, and the Clovercroft Publishing offering has sold steadily in both hardcover and paperback options since its release in 2018. Becky is now excited to make the book accessible to even more people. GOING OUR WAY will delight Country fans with "insider" music business knowledge and engage the Christian reader with faith-filled asides.
