worked with and met some of the most amazing people including Academy Award Winner Jamie Foxx, Grammy Award Winning Chris Botti, Steve Forbes, Editor and Chief of Forbes magazine. Wanda has a Bachelor's Degree in Business with a concentration in Marketing.

What do these two friends have in common? They are just plain nosy and won't stop staring, asking questions, or talking until they get to the bottom of any topic discussed. They use their education, intelligence, gut, and street smarts to determine whether you have it, common sense, or you don't. We'll let Stacey and Wanda be the judge of that! They also enjoy every facet of entertainment, sports, and celebrities; not necessarily in that order.

"Common Sense Required with Stacey and Wanda...Where Wendy meets Oprah meets Thelma and Louise," said Martone Daniels, IRMIX RADIO, CEO.
