CLE Companion has quickly made a name for itself by creating innovative solutions to decades long stagnation in the continuing legal education industry. In their quest to provide the optimal

“

This is a fantastic value for our members, who will have the ability to pinpoint and complete CLE courses directly related to the case law research they are working on, saving both time and money.”

Kristin Davidson, the CEO and founder of CLE Companion

CLE experience to their members through high quality courses, integrated credit tracking, advanced Law Firm Administrative functions, and easy reporting; they have added yet another exciting member benefit. Beginning January 4, 2021, members all Pro Members, will have access to both Unlimited CLE courses and AnyLaw’s extensive libraries of case law research.

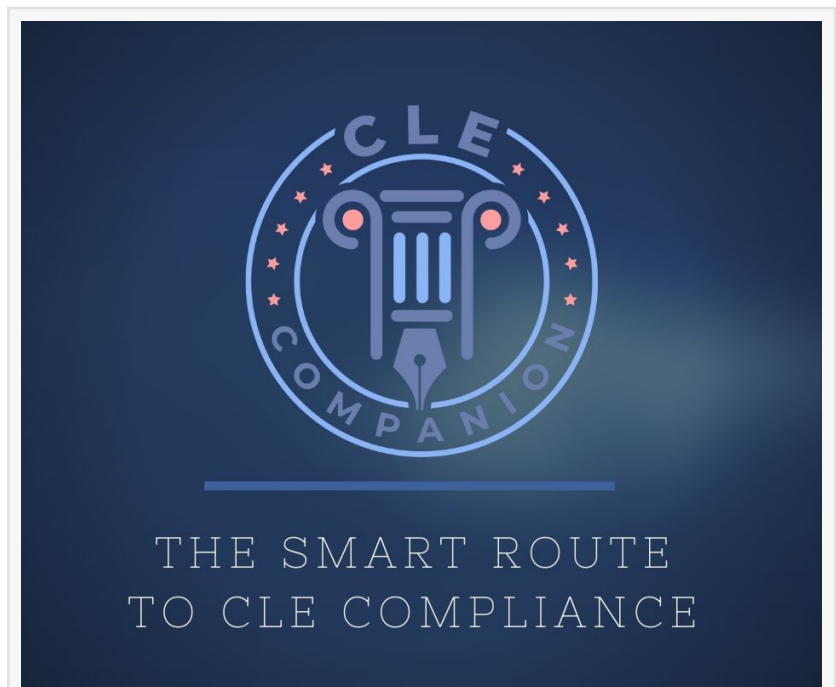

The Pro Membership offers a FREE 2-week trial followed by a flexible month-to-month service model, not currently available in traditional unlimited CLE packages. The membership is offered at a special introductory rate of just \$29 per month.

“This is a fantastic value-add for our Pro members, who will now have the ability to pinpoint and complete CLE courses that are directly related to the case law research they are currently working on, saving both time and money.” said Kristin Davidson, the CEO and founder of CLE Companion. “The national average out of pocket cost for Case Law research is \$75 per month, and CLE averages around \$300 per year. We’re pulling out all the stops to offer both services together at less than a quarter of the cost.” Davidson continued, “Plus the ability to complete case law research and your CLE requirements in one represents a valuable time savings.”

“We are excited for this opportunity to be working with CLE Companion to provide another value-added service to their impressive CLE platform”, said AnyLaw CEO Steve Tover. “There is strong synergy between CLE Companion and AnyLaw, and as legal industry ecosystem expands, so do the opportunities for cooperation between our two companies.”

Among the many features associated with this new case law research tool are:

- The database includes ALL precedential case law from every state and federal court, with daily updates.
- Citations are linked to corresponding CLE courses, giving members the ability to explore relevant case law in every jurisdiction.
- Keyword search is fast, easy, and intuitive.
- All of the cases are tagged, allowing for topic and sub-topic-based search.
- Search is accelerated with responsive, live filters based on court level, state, date and more.
- Search results are citation based, with coverage across all precedential court levels.
