Three New Springtime Outdoors Experiences at Cumberland House Knoxville Hotel, Tapestry Collection by Hilton

KNOXVILLE, TN, US, March 1, 2021 /EINPresswire.com/ -- To celebrate the kick-off of spring, the recently-opened Cumberland House Knoxville Hotel, Tapestry Collection by Hilton, added three new unique experiences for guests and visitors that will launch on the first day of the season — March 20 — and run through Labor Day, September 6.

As we recover from a year of quarantine and being stuck inside, the hotel offers perfect-for-springtime packages, which include include a Picnic in the Park, Great Outdoors and Yappy Hour with adoptable dogs. To book any of the three packages, please call 865-971-4663.

The Picnic in the Park experience includes an outdoor adventure just steps away from the hotel at the historic World's Fair Park, site of the Knoxville 1982 World's Fair, where 11 million visitors and 22 nations celebrated to showcase the diverse achievements of various countries. The 1982 Fair was the last successful World's Fair held in the U.S. and first ever held in the South. The Tennessee Amphitheater and Sunsphere, which form the backdrop of World's Fair Park, are the only standing structures from the 1982 event.

The Picnic in the Park Package also offers:

One-night accommodations

A picnic basket stocked with wine and local Tennessee favorites

A complimentary Cumberland Hotel blanket to take home as a keepsake

The Picnic in the Park Package rate begins at \$159 per night.
