

Louisiana Mesothelioma Victims Center Appeals to the Family of an Individual in Louisiana with Mesothelioma to Call Attorney Erik Karst of Karst von Oiste About Compensation-Do Not Rely on a Local Car Accident Attorney

NEW ORLEANS , LOUISIANA , USA, April 27, 2021 /EINPresswire.com/ -- The Louisiana Mesothelioma Center is appealing to the wife or adult son or daughter of a person anywhere in Louisiana with recently diagnosed mesothelioma or suspected mesothelioma to please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 to discuss financial compensation. Do not call a local car accident attorney for something as complex as a mesothelioma compensation claim. Erik Karst of the law firm of Karst von Oiste is a fulltime mesothelioma and asbestos exposure lawyer-as are his colleagues, and Erik is one of the nation's leading mesothelioma compensation experts. www.karstvonoiste.com/

According to the group, "We had hoped when 2021 began the year would be less dramatic than 2020. We know that because of weather, and the Coronavirus some people with mesothelioma in Louisiana are hunkered down-and they have not started the compensation process and in many instances-they are not receiving medical treatments. If this sounds like your husband or dad-please call attorney Erik Karst of Karst von Oiste anytime at 800-714-0303 so at a minimum-he can answer your questions about mesothelioma compensation-and how the process works. We think you will be glad you did." www.karstvonoiste.com/

The Louisiana Mesothelioma Victims Center wants to emphasize there is a statewide initiative available to a diagnosed victim anywhere in Louisiana including communities such as New Orleans, Baton Rouge, Shreveport, Lafayette, Lake Charles, Kenner, Bossier City, Monroe.
