

# NASBITE International honors 39 outstanding small-medium business exporters

*NASBITE International honors 39 outstanding small-medium business exporters for their growth and innovative approaches to international marketing.*

ALBANY, NY, USA, March 3, 2021 /EINPresswire.com/ -- NASBITE International recognized 39 companies from the United States and Canada as Outstanding Exporters during its recent, virtual National Small Business Exporter Summit. The companies, selected for their demonstrated excellence in export growth and their innovative approaches to international marketing, make up the fifth class of Outstanding Exporter honorees.

"During a time when the export business faced significant pandemic- and geopolitical-related challenges, it has never been more important to spotlight the leading exporters and their innovative approaches to succeeding against these headwinds," said Jackie Rasmussen, CGBP, president of NASBITE International. "These companies grew, opened new markets and created jobs, providing economic growth when our country greatly needed it."

NASBITE International created these awards, along with the National Small Business Exporter Summit, as a way to bring together top small business exporters, trade professionals and trade assistance providers from across the country to connect with one another, and to share best practices and lessons learned.

"As the leading supporter of education in the industry, we at NASBITE, celebrate the success of our 2021 Outstanding Exporters and their willingness to share their hard-earned knowledge during our recent National Exporter Summit."
