422 West Michigan Street is an ultimate live and work from home space in downtown Indianapolis. The historic red-brick building was built in 1912 and is just over 22,000 square feet with complete renovation and is built like new. Capped by a spectacular domed glass ceiling, it offers possibilities for condos, a vacation rental or office space. A furnished, 900 square feet office with off-street parking for

clients and staff, a large gym, and proximity to all that the city has to offer. The adjacent 5,000

square foot residence provides a private master wing, two additional bedrooms, a large outdoor patio, and plenty of space to entertain. Hardwood floors, skylights, and large windows fill the interior with light. At the same time, unique architectural ceilings and custom woodwork give the residence an old-world feel.

"It was a pleasure to work alongside the Concierge Auctions team and come together as one to provide a successful auction for our client. In just 35 days, we found the perfect buyer for this unique investment opportunity by leaning on the Concierge Auctions database and their award-winning marketing team", stated listing agent, David Morris.
