

The Top-25 Remote Companies of 2021 (So Far)

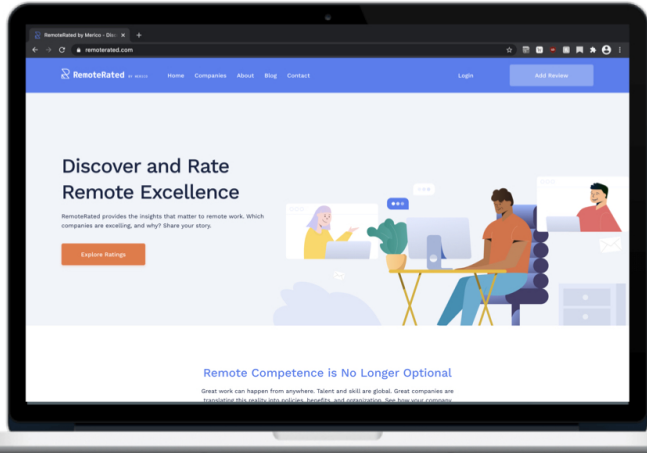

RemoteRated announces the top 25 remote companies of 2021, RemoteRated.com is a platform to share & discover the best remote companies and job opportunities!

SAN FRANCISCO, CALIFORNIA, USA, March 8, 2021 /EINPresswire.com/ -- Today Merico, a leading code analytics firm announce [RemoteRated.com](https://remoterated.com), a simple and focused platform empowering people worldwide to share their experiences as remote workers, in a similar fashion to Glassdoor. RemoteRated focuses its ratings on factors like transparency, inclusivity, remote leadership, and benefits; factors that make-or-break the experience of remote workers.

To launch the platform, the RemoteRated team researched and interviewed employees to create a list of the leading remote employers of 2021. Based on the leadership these companies have demonstrated throughout the pandemic, company inclusivity, the quality of remote benefits, and the quality of their employee experiences, the inaugural RemoteRated 25 is announced today!

More information about the reasoning and evaluation criteria can be found [HERE](#).

We believe in remote work, so we built a place to **discover & rate** the best remote organizations.

A laptop screen displaying the RemoteRated website. The header is blue with the text "We believe in remote work, so we built a place to discover & rate the best remote organizations." and a logo. The main content area has a light blue background with the heading "Discover and Rate Remote Excellence". Below this, it says "RemoteRated provides the insights that matter to remote work. Which companies are exciting, and why? Share your story." and a button "Explore Ratings". There is an illustration of three people working remotely. At the bottom, it says "Remote Competence is No Longer Optional" and a small disclaimer: "Great work can happen from anywhere. Talent and skill are global. Great companies are exceptional. This website only captures remote, and asynchronous, work from work companies." The URL "www.RemoteRated.com" is at the bottom of the laptop.

RemoteRated is a more focused company ratings site, capturing remote success factors!
