With over 20 years of domain expertise in RPA, AI & ML. Our Automation Strategy Services provide direction to decision makers who are looking for guidance.

PORTLAND, MAINE, UNITED STATES,
March 5, 2021 /EINPresswire.com/ --

[CampTek Software](#) the leader in

Robotic Process Automation (RPA) announced today that it will offer [Automation Strategy and Advisory services](#).

With over 20 years of domain expertise in the areas of RPA, AI & ML, CampTek Software has provided Automation solutions in multiple verticals. CampTek Software's Automation Strategy & Advisory Services provide thought leadership and direction to decision makers who are looking for quick and actionable guidance on their Automation journey.

"We know that Automation can provide an amazing return on investment when implemented properly. Unfortunately, over 70% of these initiatives fail without proper planning. We feel it is vital to properly strategize the initiative regardless of whether it is in the early stages or its underway. Our goal with this offering is to provide valuable tactical direction to help decision makers understand the landscape."

[Peter Camp, CTO and Founder, CampTek Software.](#)
