NuLeaf Naturals 1800mg CBD oil is a whole-plant extract containing a full spectrum of naturally occurring synergistic cannabinoids and terpenes.

- All-natural with no additives or preservatives
- Made from non-GMO hemp plants grown on select farms in Colorado, USA

- NO herbicides, pesticides, or chemical fertilizers used
- Legal in all 50 states

Proprietary genetics allow NuLeaf to naturally create a whole plant CBD extract that is highly concentrated in CBD and contains significant amounts of secondary cannabinoids like CBC, CBG, CBN, and more. Cannabinoids work synergistically with each other and are more effective when they are found together versus when they are isolated. This is known as the entourage effect.

Their advanced cultivation program promises continued enhancement of natural genetics and

ensures a safe and regulated product, with unsurpassed potency and consistency. Their organic hemp plants are grown in Colorado with pristine rocky mountain water and harvested at peak perfection. NuLeaf Naturals controls the entire farming and production process from seed to shelf to guarantee the products are of the highest quality.

The CBD Haven e-commerce platform provides a seamless experience from browsing through a vast selection of CBD products to fast delivery to all 50 states.
