

P3iD Technologies Marketing Syndication Program for effective messaging of secure cloud document processing solutions

Augment your existing marketing with exclusive digital content to transform your business with subscription services messaging and enter new markets with ease

SILICON VALLEY, CA, UNITED STATES, March 9, 2021 /EINPresswire.com/ -- [P3iD Technologies, Inc.](#),

a software development and solution company providing secure cloud solutions for document workflow automation, is pleased to announce the 'P3iD Marketing Syndication Program for effective messaging' (P3iD-MSP).

With the help of P3iD Marketing I've been able to easily add additional services and capabilities to my business portfolio without any effort or expenses."

*Kevin Garlick - Owner,
FileBase Systems*

The P3iD Marketing Syndication Program extends P3iD's marketing materials such as presentations, brochure, web pages and videos to P3iD VIP partners by re-branding these materials with your companies' colors and contact information. Traditional print, and online marketing, often require expensive outsourcing, time and costs to create content. To help create a business advantage for [P3iD](#)

[partners](#), P3iD-MSP was created to provide exclusive access to important marketing collateral, accelerating business growth through effective digital marketing campaigns.

P3iD-MSP is a program that truly is a win-win situation which enables P3iD VIP partners to access proprietary, and exclusive, digital content to be re-branded as their own. P3iD-MSP VIP's can request custom-branding for a wide variety of digital content which they can utilize for sales and marketing activities that greatly accelerates time-to-market and quicker access to revenue.

Highlights of the P3iD Marketing Syndication Program (P3iD-MSP) include:

- Augment an existing marketing strategy with additional branded content
- Deliver concise messaging to targeted audiences
- Expand business opportunities into vertical markets
- Share a cohesive message that aligns with a roadmap over a long period of time

Content from the P3iD Marketing digital asset library, includes materials created from many

years of practical technology experience, real-world use case scenarios as well as end-user case studies. Marketing collateral available from P3iD-MSP includes original content including presentations, brochures, white papers, blogs, press releases, videos, web pages and much more. Benefits of P3iD-MSP include the following:

- Reduce, or eliminate, digital marketing expense while still providing valuable content
- Demonstrate Subject Matter Expertise (SME) on particular technologies and vertical markets
- Quicker time-to-market with access to a full library of various digital marketing assets
- Increase exposure into new and lucrative markets without the complicated effort

For anyone interested in joining the P3iD Marketing Syndication Program please visit <https://p3idtech.com/register/> and apply for P3iD-MSP VIP access or e-mail mvp@p3idtech.com. Upon approval, you will be provided access to the P3iD-VIP Lounge where you will have access to exclusive content which can be branded for your companies own digital marketing campaigns.
