

# Tekbond, The Name You Can Trust in Adhesives, Is Now Available In The United States

*Tekbond Super Glue now available at your local distributor.*

WORCESTER, MA, UNITED STATES, March 8, 2021 /EINPresswire.com/ -- [Tekbond Super Glue](#) one of the most popular super glues is now available in North America. It is recommended for adhesion that requires high cure speed and super strong strength. It is made of cyanoacrylate; it does not need any type of mixture, and cures quickly.

It is a line specially developed for a wide variety of applications and materials such as, wood, rubber, metal, paper, plastics, leather, ceramics, porcelain, and more. Available in five convenient sizes. Check with your local distributor and ask for Tekbond Super Glue.

Tekbond, a brand distributed by Norton | Saint-Gobain Abrasives, specializes in the production of adhesives, including super glue, sealants, thread lockers, and silicones. Tekbond offers products for home and commercial/industrial use and supports different market segments, including home building, construction, do-it-yourselfers, furniture, and automotive industries to name a few.
