

Phoenix Carpet Repair & Cleaning Now Offers Water Damage Clean Up

Phoenix Carpet Repair & Cleaning will assess the water damage situation, proceed with cleaning, drying, and making all the necessary repairs to your property.

PHOENIX, ARIZONA, UNITED STATES, March 9, 2021 /EINPresswire.com/ -- Extreme flooding of your home or business is not a situation that you will find yourself in very often but when it does happen it can be overwhelming. Fortunately, the IICRC certified experts at [Phoenix Carpet Repair & Cleaning](#) is a company that you can trust to handle this issue for you and lead to the successful removal of water from your property.

Our water damage restoration technicians are meticulous and follow established protocols for water damage restoration. They follow a four-step process to get the water out and stop it from harming the structural integrity of your property. First, they will extract as much water as possible. Then they will set up air movers to get the air moving and promote faster dry times. Next, they will dehumidify your property to prevent mold and mildew growth. The last step is to regulate the temperature to make sure we prevent mold growth and ensure moisture levels are back to normal levels.

The certified carpet experts at Phoenix Carpet Repair & Cleaning are also able to repair several other issues that result from water damage such as replacing any carpet pad that was contaminated and power stretching the carpet back into place after dry out. Additional services also include carpet and tile and grout cleaning.
