International Women's Day Celebration 2021

"Adaptation and change are paramount to growth, especially as it relates to women. We must be willing and ready to change and adapt as the world evolves. Opportunity and access must continue to be central themes as we move towards progress. Progress comes through the willingness to accept change for ourselves and for the people that are around us. As we celebrate IWD this year, we celebrate progress, development, and positive societal change."

Kristen Fenrick, International Speaker and Founder of Klearly Kristen, Inc.

"As women, we have a responsibility to help other women succeed. We can all play our part, no matter how small. International Women's day is an opportunity for us to collaborate, motivate, and inspire each other. It showcases what's possible when we support each other. IWD is a chance to set the bar."

Christina Holder, Founder Womxn in Business

The event starts Monday, March 8th at 5 am EST and runs throughout the day until 1 am EST on March 9th. You can find the event by downloading the new clubhouse APP on your iPhone or IOS Device. Look for the Women Matter Club to find the events that you'd like to attend!
