

L'agent Noir Spray Tans Nikki Glaser for Netflix

Beauty studio in Soho, New York, gets chosen to spray tan American Comedian, Nikki Glaser, for her show, Bangin', on Netflix.

NEW YORK CITY, NEW YORK , UNITED STATES , March 11, 2021 /EINPresswire.com/ -- [L'agent Noir](#) is a beauty studio based in Soho, New York City, and has had some prominent celebrities come through their doors. The latest was Nikki Glaser, an American comedian and actress, filming her new show on Netflix called Bangin'. L'agent Noir prepared her for her show by giving her a spray tan before filming.

Nikki loved the tan, and exclaimed, 'I've never looked better' - part of the reason she chose L'agent Noir was because of its luxury reputation in New York City and the feel of the brand itself. Former MTV head makeup artist, Elisa Talerico, was on set with Nikki during production, and having worked with L'agent Noir's founder on previous projects, sent her a message saying that Nikki's tan 'looks amazing'.

The beauty studio has also prepared numerous other celebrities for the VMAs (Video Music Awards) and clients can get a feel of the chicness of their brand just by visiting their website and social media platforms, as well as view the various videos with these celebrities who used L'agent Noir's services.

With the recent worldwide pandemic, most brick and mortar shops have had to close their doors, suffering significant financial losses.
