

# Nikkitas - The Essence of Sparta in every drop

*Exceptional polyphenol-rich Extra Virgin Olive Oil, Honey and Olives from family groves in Sparta, Peloponnese, Greece.*

LONDON, UNITED KINGDOM, March 9, 2021 /EINPresswire.com/ -- Nikkitas is the celebration of a 5 generation-old family love story with its fascinating homeland of Sparta, where the respect of ancestral harvesting produces exceptional Extra Virgin [Olive Oil](#), [Honey](#) and [Olives](#). The type of soil, climatic conditions, responsible farming and centuries of craftsmanship result in the finest products.

## ⚔️ – A TIMELESS SYMBOL

Similar to Sparta – a Dual Kingship whereby two kings would rule equal in authority for the good of the community – Nikkitas safeguards a balance between traditional ways and modern quality controls, in times when transparency and quality are key.

## DRINK AT THE SOURCE

Nikkitas is produced entirely in Sparta in family-owned groves – cultivation, collection, pressing, bottling, packaging and control checks all take place onsite. In less than 24 hours, the handpicked olives are pressed and bottled, retaining all the fruits' nutrients and producing an exceptional polyphenol-rich golden green Extra Virgin Olive Oil unique to these lands.
