

ILT and Finastra Announce Addition of Fusion LaserPro as Option for Allegro™ Users

SALT LAKE CITY, UTAH, UNITED STATES, March 9, 2021 /EINPresswire.com/ -- Integrated Lending Technologies (ILT) is very pleased to announce that it has completed the development of an integration of its [Allegro™ Lending Suite](#) with Fusion [LaserPro](#), a loan documentation and management solution from Finastra. Fusion LaserPro, now an Allegro™ option, automates loan onboarding, eliminating the need to rekey loans manually and provides compliant loan document management giving Allegro™ users peace of mind, knowing that their loan packages meet the burden of regulation.

“

Finastra shares our dedication to quality and ease of use.”

Will McGregor

Will McGregor, CEO of Integrated Lending Technologies, said “We’re very happy to have this integration to provide Allegro™ users with another option for loan documentation. This addition will significantly increase the versatility and value of our product. Finastra shares our dedication to quality and ease of use. It’s been a pleasure working with them over the last several months to bring

this across the finish line.”
