It is time to Spring Forward into the season that reminds us that summer is almost here! Along with our premium ethical and sustainable coffees and organic teas our beverage team has been hard at work creating the best way to launch spring. A time to celebrate a rebirth with our Friend of the Earth inspired beverage selection.

"We were inspired by Spring Gardens and the promise of new growth and restoration of the earth. Reminiscent of fresh buds and a warm sunshine kind of vibe," Jim Ragas, President and CEO of Second Cup.

Our, iced Cold Brew Mint Peach Tea will evoke springtime with its vibrant colour and sunny flavours. Our Green Tea Latte is the perfect blend of creamy green tea and earthy flavours. Our third new item is the Pistachio Coffee Chiller that really showcases our espresso with just the right amount of sweetness from the pistachio.
