

Project Boon Announces Free Easter Event at Drive-Thru in Rancho Cucamonga, CA

Project Boon announces an Easter event featuring drive-thru service at Hitch Burger Grill to families who are food insecure on March 28, 2021 at 4:00pm.

RANCHO CUCAMONGA, CA, UNITED STATES, March 12, 2021

/EINPresswire.com/ -- Easter is a time to celebrate the arrival of spring with family and friends gathering together for feasting and festivities. For some families in underserved communities within Rancho Cucamonga and surrounding areas, there is little to celebrate.

In response to this, [Project Boon](#) is pleased to announce an Easter event that will feature drive-thru service to families who are food insecure on March 28, 2021 at 4:00pm. Held at [Hitch Burger Grill](#) in Rancho

Cucamonga, the event will provide groceries for Easter dinner preparation as well as festive Easter baskets for children.

Following the success of reaching significant milestones in 2020, Project Boon aims to serve at least 30K meals in 2021 while bringing additional valuable resources to underserved and in-need communities, including health resources that could be hard to access as the pandemic rages on. For this year's Easter event, each family will have the opportunity to receive fresh groceries, and children will be provided with Easter baskets filled with candy and toys. Each family can receive one bag of groceries, a case of water and 2-3 Easter baskets per car while supplies last.

If you would like to support the efforts, please visit the Project Boon website for more information on how to donate and locations where you can drop off any supplies.

This annual Project Boon event will continue to adhere to current guidelines from the county of San Bernardino on the size of gatherings. Despite the current climate, Project Boon has remained committed to serving the underserved community. The organization is becoming familiar with drive-thru events to serve the community, after hosting four grocery distributions through the drive-thru at The Hitch Burger. It should be noted that this event is first-come, first-serve, and we do ask that attendees do not line up early.
