“From the comfort of their homes, clients have been able to make informed decisions on their property investments here in the Algarve. By joining the experts virtually, all their questions were answered before they even had to get on a plane!” said Angela Worrall, CEO of Ideal Homes International.

Portugal has been described by industry experts as a prime location for people that desire a property abroad due to its enviable climate and lifestyle as well as easy

transport links to other parts of Europe and the UK.

Consequently, there has been an increase in demand for properties in the country. In a related development, the Algarve has become one of the fastest-growing markets in the country.

However, recent occurrences, especially with the emergence of the pandemic, have led to a decline in the number of housing transactions in the region, giving an amazing opportunity for investors to buy.

Therefore, the team at Ideal Homes International aims to help as many clients as possible enjoy the [discounted properties in the Algarve](#) to grow their portfolio.

The award-winning real estate company offers a plethora of services, leveraging tech solutions to ensure that clients, irrespective of their location across the globe acquire their desired properties. The firm's services are designed to meet the diverse and growing demands of clients worldwide.
