The Portuguese property market has become a multi-billion-dollar industry, with more companies and different categories of stakeholders entering the market. Despite the steady growth in the market, getting a mortgage is not particularly as straight-forward as it looks.

However, the team at Ideal Homes International has positioned itself to help clients leverage the different types of mortgages to live their dreams of owning a property in Portugal.

Ideal Homes International helps to take away the stress and time-consuming process of comparing between the different types of mortgages in Portugal while also ensuring that clients enjoy amazing rates from banks and other institutions.

With the [interest rates being at an all time low](#), an investor with a budget of 400,000€ could look to qualify for:

- Finance over 40 years:
- Property Value - 400,000€
- 20% Down Payment - 80,000€
- Principal - 320,000€
- Interest rate - 0.873%
- Payment p/month - 790.07€

The unique combination of relative affordability, a high level of professionalism, and premium quality real estate solutions has made [Ideal Homes International the go-to resource](#) for clients. "Ideal Homes are a great company to deal with if you're looking for a property abroad. Friendly and very professional, with bags of experience and knowledge of the locations they sell in, with a great portfolio of suitable properties. I would definitely recommend talking to Ideal Homes if you're starting thinking of properties abroad," said John D.
