Safeguard Proof of Vaccination Data
with StoreSMART's COVID-19 Medical
and Vaccine Card Holder

Have you had your vaccination yet? Your COVID-19 vaccination card may soon become the key to unlocking newly opening travel, family, work, school, and entertainment opportunities. So, shouldn't you [keep this important document protected](#)?

Enter StoreSMART's [Medical and Vaccine Card Holders](#)—a convenient and inexpensive way to keep your proof of vaccination card safe, easily visible, and free from destructive accidents and spills.

"Your proof of vaccination card is bound to become one of the most important documents you own," says Reenie Feingold, CEO and Founder of StoreSMART. "You need to store and protect it as safely as possible. Our [lightweight, durable plastic pockets](#) were designed to keep your cards safe, whether in a purse, bag or pocket."

StoreSMART's Medical and Vaccine Card Holders have additional practical uses, too. They can help organize your insurance information, social security cards, medical information, or appointment cards; or safely hold credit cards, driver's licenses, tickets, cash, and other small items.

The 3 3/8" x 4 3/8" pockets have a 3" x 4" interior capacity. They are made of 8-gauge crystal clear vinyl for ultimate visibility and open on the short side with a 1/4" lip.
