LAKE FOREST, CA, UNITED STATES, March 23, 2021 /EINPresswire.com/ -- A [powertrain warranty](#) helps protect drivers from costly vehicle repairs. However, when the manufacturer's original [warranty](#) expires, drivers and their budgets are left to fend for themselves. A [Vehicle Protection Plan](#) from autopom! will help drivers pay for expensive car repairs after their manufacturer's powertrain warranty has expired.

A Vehicle Protection Plan from autopom! will help drivers pay for expensive car repairs after their manufacturer's powertrain warranty has expired.

An extended powertrain warranty protects the car's powertrain system; in other words, its engine, transmission, and drive axles. autopom!'s Powertrain Protection Plans are designed for older, higher mileage vehicles and cover the vehicle's essential components and more.

"Engine and transmission repairs are among the most costly repairs a driver faces," says Mike Jones, president and CEO of autopom!. "We like to say that we give our customers 'automotive peace of mind' so they can enjoy the benefits of vehicle ownership without the worry."

Vehicle Protection Plans from autopom! are backed by "A+" rated providers and include benefits like roadside assistance, nationwide breakdown coverage, repair shop choice, and rental vehicle assistance. autopom! also recently announced its partnership with RepairPal, a network of over 2,600 certified and trusted repair facilities. No matter where the road takes autopom!'s customers, they're never far from a helping hand: <https://repairpal.com/autopom>
