

Alacrinet Consulting Services Ranks No. 146 on Inc. 5000 List of California's Fastest-Growing Private Companies

With a two-year revenue growth of 109.6%, Alacrinet reaches #146 on the second annual regional listing of fastest growing companies in California.

PALO ALTO, CALIFORNIA, UNITED STATES, March 16, 2021 /EINPresswire.com/ -- Inc. magazine today revealed that Alacrinet Consulting Services, LLC. is No.146 on its second annual Inc. 5000 Regionals: California list, the most prestigious ranking of the fastest-growing California-based private companies.

"We're honored to be a part of this exceptional group of companies! The growth we've seen over the past 2 years reflects our commitment to our clients and focus in offering industry-leading security solutions and services." -- Brian Bouchard, President & CEO of Alacrinet

With a two-year revenue growth of 109.6%, Alacrinet has grown by adapting to industry trends and customer needs. We combine customer-focused consulting with in-depth technical knowledge to deliver best-in-class security solutions and services.

"The cybersecurity industry continues to shift based on new technologies and new threats," says Brian Bouchard. "We've adapted by not only staying informed and reselling the leading technology solutions, but also by adding new services that benefit from our existing expertise. This includes penetration testing, managed security services, and security staffing."

Born of the annual Inc. 5000 franchise, this regional list represents a unique look at the most successful companies within the California economy's most dynamic segment—its independent small businesses.

"This list proves the power of companies in California no matter the industry," says Inc. editor-in-chief Scott Omelianuk. "The impressive revenues and growth rates prove the insight and diligence of CEOs and that these businesses are here to stay."
