

Alabama—AcademicInfluence.com Ranks the State’s Best Colleges & Universities for 2021

MONTGOMERY, ALABAMA, USA, March 17, 2021 /EINPresswire.com/ -- With so many excellent colleges and universities to choose from in Alabama, the challenge for prospective students isn't selecting just any school but choosing the right school from among the state's very best institutions .

AcademicInfluence.com announces the release of its series “The Best Colleges & Universities in the USA,” which ranks every state’s schools in multiple categories. The top higher education institutions in Alabama are ranked here:

[Alabama’s Best Colleges & Universities of 2021](#)

Alabama’s page includes breakdown rankings and links in the following categories:

- 7 Research Universities
- 17 Liberal Arts Colleges & Universities
- 23 Graduate Schools
- 14 Public Colleges & Universities
- 14 Private Colleges & Universities
- 12 Christian Colleges & Universities
- 18 Small Colleges & Universities (fewer than 5,000 students)
- 19 Affordable Colleges (below national average of \$16k/yr)
- 21 Community Colleges

Attending an in-state college or university remains a major priority for many students.. The tuition benefit students receive from attending a school in their state can be the deciding factor in pursuing a college degree. A local school within driving distance can also make a major difference in the cost, saving commuters money by providing an alternative to the costlier on-

For those students with specific needs and who want greater customization, AcademicInfluence.com's rankings provide greater detail through 26 customizable filters available using [Custom College Rankings for Alabama](#).

"We believe that students today want more than a degree—they want a college experience that meets their personal needs," says Dr. Jed Macosko, academic director of AcademicInfluence.com and professor of physics at Wake Forest University.

"College can be costly, so students are right to have high expectations. AcademicInfluence.com helps students meet these expectations with the best tools on the internet, from our College Strategist and Desirability Score to our Custom College Rankings and fact-packed articles. Visit our site and see how we can help make your college search more effective and satisfying."

Founded in October 2016, with funding assistance from the Defense Advanced Research Projects Agency (DARPA), Influence Networks created the proprietary InfluenceRanking Engine used by AcademicInfluence.com. Its innovative machine-learning technology generates unbiased rankings resistant to manipulation, scouring the web's leading data repositories to map and measure the influence of a school's thought leadership. Students now can access a superior,

trustworthy, ranking resource found at no other site. See the [AcademicInfluence.com About page](#) for further details on the unique capabilities and advantages of this ranking technology.

AcademicInfluence.com is the preeminent technology-driven rankings site dedicated to students, researchers, and inquirers from high school through college and beyond, offering resources that connect learners to leaders. AcademicInfluence.com is a part of the EducationAccess group, a family of sites dedicated to lifelong learning and personal growth.
