FARGO , NORTH DAKOTA , USA, May 10, 2021 /EINPresswire.com/ -- The North Dakota US Navy Veterans

Mesothelioma Advocate says, "If you are a Navy Veteran with recently diagnosed mesothelioma anywhere in North Dakota or their immediate family-please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303 to get your questions answered about mesothelioma as well as an analysis of what the compensation claim might be worth. Frequently mesothelioma

compensation for a Navy Veteran can exceed a million dollars. As Erik Karst of Karst von Oiste is always happy to

discuss-mesothelioma compensation is based on how where and when a person with mesothelioma was exposed to asbestos. In the instance of a Navy Veteran with mesothelioma their primary exposure to asbestos would have almost always occurred on a ship, submarine or at a shipyard.

"We know the online world of mesothelioma is filled with all sorts of offers about 'free' generic booklets, kits, guides, calculators and or publications. The 'free' stuff almost always results in people with mesothelioma being hounded-night and day-from lawyers they have never heard of

before. If you are a Navy Veteran with mesothelioma in North Dakota or their immediate family-and you want to talk with someone who knows what they are talking about-when it comes to mesothelioma compensation---please call attorney Erik Karst of Karst von Oiste anytime at 800-714-0303. We are certain you will be glad you did."
