MISSOULA , MONTANA , USA, May 11, 2021 /EINPresswire.com/ -- The

Montana US Navy Veterans Mesothelioma Advocate is urging the wife or adult son-daughter of a Navy Veteran with recently diagnosed mesothelioma in Montana to please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 to discuss how mesothelioma compensation works and what the Veteran's claim might be worth.

Frequently a mesothelioma compensation claim might exceed a million dollars. If the Veteran spent his

career in the navy his mesothelioma compensation package might be in the millions of dollars- depending on how, where and when they were exposed to asbestos. [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

The Advocate says, "Some online ads for Navy Veterans or people with mesothelioma make it sound like-'just fill out a few forms' and they will get almost instant money----as if--a person like this or their family do not need an attorney. If a Navy Veteran with mesothelioma or their family end up hiring a local car accident attorney to assist with a mesothelioma compensation claim--the mistake might cost the Navy Veteran and their family hundreds of thousands of dollars. Attorney Erik Karst of Karst von Oiste specializes in assisting Navy Veterans with mesothelioma in Montana and nationwide. Before a Navy Veteran or person with mesothelioma in Montana

hires a lawyer to assist with financial compensation-please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303. We think you will be glad you did." [www.karstvoniste.com/](http://www.karstvoniste.com/)
