NEW YORK, NY, UNITED STATES, March 17, 2021 /EINPresswire.com/ -- [Known popularly as the Folk Rock Rabbi, Gedalya](#) is on the route to become a stunning and striking musical powerhouse, creating musical masterpieces that inspire and comfort. With his new single titled aptly "Cruel to the Kind", he explores relatable themes of sincerity and compassion and reimagines a world without the security of law enforcement. Strongly believing that law enforcement services make sure that people are able to explore and enjoy their rights and freedom, he rethinks the norms. Law enforcement agencies allow citizens to enjoy basic amenities and without their support and presence, society could debilitate into utter chaos and people would be unable to celebrate, mourn and worship, making their sacrifices essential and vital for everyone.
