

Author Brings to Life Tales of Fantasy and Overcoming Adversary

RED DEER, ALBERTA, CANADA, March 17, 2021

/EINPresswire.com/ -- Carola Jothi is an author who never seems to run out of ideas.

In [Brave](#), Jothi tells us about Zara, a girl who cannot seem to fit in and always felt out of place, even with children her age. But all that changes when she meets an animal that also seems to mirror her personality.

In the [Red Diamond](#), Jothi brings to life the tale about a weapon that wields terrible power. An evil man named Rocco is determined to get that power to use for his own selfish reasons.

The only person who seems to be standing in his way is Moon, a warrior with a past tied to the Red Diamond, a powerful artifact that can make its wielder command anyone to do anything.

Jothi masterfully unfolds this tale of courage, deceit, and danger.

In [Rocco Vs Moon](#), Jothi continues the story of Moon, the female warrior who has the extraordinary power to heal herself. After she defeats Rocco in combat, he hungers to have this ability for himself and will stop at nothing to get what he wants.

Rocco gathers his soldiers to help him take down Moon's army and the two forces clash, but it will take more than just an army for Moon to defeat Rocco.

In this book, Jothi chronicles Moon's struggle not just against an army bent on destroying her, but also against a secret plot with more far-reaching consequences.
