

Harley Wallen's AGRAMON'S GATE screens March 20th at the Dead In Decatur Film Fest

Midnight Releasing and Painted Creek Productions invites you to experience this exclusive streaming event.

LOS ANGELES, CALIFORNIA, USA, March 17, 2021 /EINPresswire.com/ -- Keep your ouija boards in your closets, folks, because something wicked is on the loose in Harley Wallen's suspenseful horror thriller, Agramon's Gate, set for a one-time only screening at Dead In Decatur's streaming event happening March 20 on Twitch.

In Agramon's Gate, a routine seance goes haywire, unleashing the unstoppable power of Agramon, an unhinged spirit that has taken the form of the departed father of our protagonist, Richie (Kris Reilly), who killed his father in self-defense when he was still a boy. Together, with the help of Richie's friends and a couple of psychic mediums, a final showdown is in the cards that will either result in defeat of Agramon, or the damnation of all souls involved.

Agramon's Gate Poster

"I really tried to merge a great story, characters with suspense and scares, and at the same time go all the way to a chuckle between scares"

~ Harley Wallen (writer/director)

“

Agramon's Gate is simply a haunting film, the kind that stays with you long after it's over. I always love a good ghost story.”

Darrin Ramage
