

Kentucky US Navy Veterans Lung Cancer Advocate Appeals to the Family of a Navy Veteran with Lung Cancer in Kentucky to Call Attorney Erik Karst of Karst von Oiste to Discuss Compensation-If He Had Navy Asbestos Exposure

LEXINGTON , KENTUCKY , USA, May 11, 2021 /EINPresswire.com/ -- According to the Kentucky US Navy Veterans Lung Cancer Advocate, "We are appealing to a Navy Veteran or person with recently diagnosed lung cancer anywhere in Kentucky to call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303 to discuss financial compensation-that might exceed one hundred thousand dollars-if the Navy Veteran or person had significant exposure to asbestos prior to 1982. It does not matter if the person smoked cigarettes. The typical person we are trying to identify is over 60 years old.

"If we had one urgent appeal to a Navy Veteran or person with lung cancer in Kentucky or anywhere in the nation it would be---if you had significant exposure to asbestos prior to 1982 and your diagnosis of lung cancer is recent-please call attorney Erik Karst of the law firm of Karst von Oiste. The \$30 billion dollar asbestos trust funds were set up for people exactly like you-as attorney Erik Karst of the law firm of Karst von Oiste is always happy to discuss anytime at 800-714-0303." www.karstvonoiste.com/

The Kentucky US Navy Veterans Lung Cancer Advocate's free services are available to people

with asbestos exposure lung cancer or mesothelioma in Lexington, Meads, Louisville, Lexington, Bowling Green, Owensboro, Covington or anywhere in Kentucky.

The US Navy Veterans Lung Cancer Advocate says, "If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind of skilled trades

group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact." <https://USNavyLungCancer.Com>

“

"We are appealing to a Navy Veteran or person with lung cancer in Kentucky to call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 if the had navy-workplace asbestos exposure."

High-risk work groups for exposure to asbestos in Kentucky include Veterans of the US Navy, civilian workers at Fort Campbell, workers at one of Kentucky's two dozen+ power plants, public utility workers, factory workers, plumbers, electricians, coal miners, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. www.karstvoniste.com/

According to the American Cancer Society for nonsmokers who have been exposed to asbestos in their workplace the risk of lung cancer is five times that of unexposed workers.

<https://www.cdc.gov/cancer/lung/statistics/index.htm>.

States with the highest incidence of lung cancer include Kentucky, West Virginia, Maine, Tennessee, Mississippi, Ohio, Indiana, Louisiana, Arkansas, Missouri, North Carolina, Rhode Island, Alabama, and Delaware. www.karstvoniste.com/
