

Battling Cancer, Sworn in as a Police Officer, & Celebrating a 5th Birthday All in One Day

A Day in the Life of Cancer Warrior Jeremiah!

NORTH MIAMI, FLORIDA, UNITED STATES, March 19, 2021 /EINPresswire.com/ -- 4-year-old Jeremiah has been bravely battling High Risk Stage IV Neuroblastoma Cancer for over a year. He has undergone multiple rounds of Chemotherapy, I-131 MIBG therapy (Metaiodobenzylguanidine (MIBG) is a compound that is combined with radioactive iodine (I-131) to deliver targeted radiation therapy), 2 stem cell transplants, proton beam radiation to the skull and spine, numerous bone marrow biopsies and blood & platelet transfusions. Although Jeremiah was recently proclaimed to be in NED status (No Evidence of Disease) he is currently undergoing a debilitating CH14.18 Immunotherapy in the hopes of preventing a relapse. He will be considered in remission after being in NED status for five consecutive years. Neuroblastoma has an extremely high rate of relapse and progression which is why he must continue with treatments.

Jeremiah's dream is to become a Police Officer and the [Mystic Force Foundation](#) has partnered with Chief Larry Juriga and the North Miami Police Department to make his Wish come true. On Saturday March 20th at 12pm Jeremiah will be sworn in as a Police Officer at the North Miami Police Department. A very special and exciting swearing-in ceremony has been planned. Immediately following, Jeremiah will be transported in the Gold Childhood Cancer Police car to the [Heroes Hangout](#), Childhood Cancer Haven for a spectacular Police-themed 5th Birthday Celebration.

The North Miami Police Department consistently partners with the Mystic Force Foundation to bring joy and happiness to children battling cancer as well as helping to raise awareness of Childhood Cancer with their dedicated metallic Gold Childhood Cancer Police vehicle.
