About Emil Ruusuvuori

Emil is the Former World No. 4 junior who achieved a career-high No. 84 after qualifying en route to 1st ATP Tour QF and SF at 2020 Nur-Sultan. In 2020, he also made a victorious ATP Tour debut at Montpellier (d. Novak), ATP Masters 1000 debut at Cincinnati (d. Korda), and Grand

Slam debut at US Open (d. Bedene in 5 sets).

Emil has 5 wins as a member of the Finnish Davis Cup team, including 6-3 6-2 upset of No. 5 seed Thiem in 2019 (AUT d. FIN 3-2).

About Cenfura

Cenfura is a Smart Energy Services company developing and operating renewable energy assets globally. We deploy distributed energy grids with dynamic load handling systems powered by AI to dramatically increase efficiency over traditional renewable energy providers. Our solutions can be islanded and incorporate automated storage to allow deployment in regions where primary grid instability is a serious problem and can cause significant disruptions. Cenfura's mission is to accelerate the adoption of fully distributed renewable energy across the globe.

We stand at the intersection of several important sectors – Renewable Energy, Regulatory Technology, and Fintech. Cenfura incorporates all three elements to deliver holistic solutions to our end users. We can provide scalable solutions to communities, industrial consumers, farming, mining, and government entities.
