Carlos Guillen, CEO

“Mr. Hahn is known for his highly engaging and simulation-driven presentation style which we expect will offer our audience some very insightful strategies for protecting their organizations.”

Three of the industry’s leading compliance consultancies partner as Platinum Sponsors.

“We appreciate the support of our Platinum sponsors,

Cipperman Compliance Services, MGL Consulting and Bates Group Compliance,” says Guillen. “We’re eager to collaboratively deliver a unique agenda showcasing our ability to unify quality content with practical application.”

After [10 years of innovating compliance technology solutions](#), the two-day Consortium will be immersive, unifying the hands-on solutions application of a user conference with content-rich sessions on compliance management led by the industry's leading consultants.

In addition to BasisCode hands-on beginner and advanced training, following are featured sessions being led by industry experts.

December 6

- Keynote: Brian Hahn, ethical hacker and President of MTradeCraft presents: "Cybersecurity: Today's Threats and How to Protect Your Organization"
- "Current Outlook: How to Prepare for a Regulatory Exam"
- "The Fundamentals of Effective Policy Design & Testing"

December 7

- "Developing Successful Strategies for the Annual Review"
- "Should Have, Could Have, Would Have: Outsourcing Compliance"
- "Code of Ethics Best Practices"
- "The New Age of Advertising"
- "Cybersecurity: Today's Priorities, Tomorrow's Projected Outlook"

Speakers and additional session details will be announced in the coming months. [See the Sponsorship Summary](#) to learn about opportunities to lead and present.
