Institute of Weight Loss Surgery, lead by [Dr. Donald Balder](#), is pleased to announce that it has added an aesthetic practice to its robust service offerings under the brand of [Gulf Coast Aesthetics](#).

Gulf Coast Aesthetics provides minimally invasive aesthetic services to clients of all ages to make them look and feel their best. Dr. Balder has been master trained in [PDO thread lifting](#) using the latest advancements in FDA-cleared PDO threads. PDO thread lifting provides a non-surgical skin tightening or facelift procedure with immediate results for a fraction of the cost of surgical options. Gulf Coast

Aesthetics also offers the best neurotoxins and HA dermal fillers on the market as well as micro-needling and hormone replacement therapies. Gulf Coast Aesthetics will also offer post procedure skin care products to keep clients looking their best.

"We have been successfully helping clients meet their weight loss goals for years and recently decided that medical aesthetics was a logical extension of services to better serve the needs of our loyal clients," said Dr. Balder. "We are excited to add Gulf Coast Aesthetics to our practice, providing clients a wide variety of the most popular injectable treatments, as well as newer procedures like PDO thread lifting"

The Gulf Coast Aesthetics' suite of services are performed in any of our three locations; Gulfport, MS, Hattiesburg, MS or our Slidell, LA location. Our offices are open Monday - Friday from 9am to 5pm, and by appointment on Saturdays. To book an appointment or a free consultation, call 228.265.5945 or go to our website at www.miwls.com.
