TORONTO, ONTARIO, CANADA, March 22, 2021 /EINPresswire.com/ -- One of the dental industry's most popular influencers on Instagram, [@mouthboxx](#), will host Dr. James Younger, the CEO of Canada's largest and most respected dental temping and hiring service – [TempStars](#), as a guest on March 22 in an Instagram live interview.

Host and owner of @mouthboxx is Fiona Mattrasingh, a Registered Dental Hygienist. Mattrasingh has more than 4,000 followers on her Instagram account, where she positions herself as “just a Dental Hygienist who loves teeth, talks about them way too much and creates content to heighten the career I love so much!”

“I’m honoured to be speaking with Fiona,” said Dr. Younger, who is also a practicing dentist. “She gives a voice to Dental Hygienists, a position that is critical to the tens of thousands of dental offices across Canada.”

Mattrasingh added that she knew of Dr. Younger through mutual colleagues and it was inevitable that they would collaborate and virtually meet.

“We have like-minded views,” she said. “But what he has done for Dental Hygienists in the temping sphere is quite admirable. He has been a catalyst for positive change. Which is why it makes perfect sense for us to come together to discuss, motivate and endeavour for further change together. I believe in my RDH colleagues and hope to empower them. This empowerment and confidence should start as a new grad and follow our temps to each position and throughout their career.”
