

Santo Mining Corp., New Exclusive Official Reddit Social Media Community

HO CHI MINH CITY, VIETNAM, March 22, 2021 /EINPresswire.com/ -- Santo Mining Corp. dba Santo Blockchain Labs (OTC PINK: [SANP](#)) today announces that its new exclusive official social media outlet for the company will be [Reddit](#). The Company opened a community page https://www.reddit.com/r/SANTOBLOC_KCHAIN/ and urges all shareholders and interested parties to join the Reddit community to hear all the current news and information from the Company.

Frank Yglesias CEO of SANTO Stated: "We are a technology company and not bound by the old school social media outlets, with Reddit we get an online forum featuring aggregated content, news, and conversations. Reddit also allows us to post text, links, videos, images, or questions, making it more engaging to our social media followers. It's kind of like a microcosm of every other social network all jammed together into one super-forum. See you there!"

FORWARD-LOOKING STATEMENTS

This press release contains forward-looking statements within the meaning of the federal securities laws. All statements other than statements of historical fact included in this presentation are forward-looking statements. These statements relate to analyses and other information, which are based on forecasts of future results and estimates of amounts not yet determinable. These statements also relate to our future prospects, developments, and business strategies. These forward-looking statements may be identified by the use of terms and phrases such as "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "plan," "predict," "project," "target," "will" and similar terms and phrases, including references to assumptions. However, these words are not the exclusive means of identifying such statements. Although we believe that our plans, intentions, and expectations reflected in or suggested by such forward-looking statements are reasonable, we cannot assure you that we will achieve those plans, intentions, or expectations. All forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those that we expected or may prove unachievable.

The Company's business and prospects must be considered in light of the risks, expenses, and difficulties frequently encountered by companies working with new and rapidly evolving technologies such as blockchain. These risks include, but are not limited to, an inability to create a viable product and risks related to the issuance of tokens. The Company cannot assure you that it will succeed in addressing these risks, and our failure to do so could have a material adverse effect on our business, financial condition, results of operations, and prospects. There can be no assurance as to whether or when (if ever) the Company will achieve profitability or liquidity.

The forward-looking statements included in this press release are made only as of the date hereof. We undertake no obligation to publicly update or revise any forward-looking statement as a result of new information, future events, or otherwise, except as otherwise required by law.
