LOS ANGELES, CA, UNITED STATES, March 23, 2021 /EINPresswire.com/ -- Actor Brian Norris stars as 'Deputy Hammond' in the Season 2 finale of Blumhouse TV's original feature-length horror anthology series, INTO THE DARK, dropping March 26th on Hulu.

The 24th installment titled 'BLOOD MOON', follows Esme and her 10-year-old son, Luna, who move to a small desert town looking for a fresh start, but soon attract all the wrong kinds of attention. As the locals begin to probe, Esme must battle to protect her son and a terrifying secret before the next full moon threatens their very existence. Norris emerges as 'Deputy Hammond', a local law enforcement official, who gets caught up in the dark and twisted tale tied to the Spring Full Moon.

Directed by Emma Tammi and written by Adam Mason and Simon Boyes, Norris appears in the story alongside Megalyn Echikunwoke, Gareth Williams and young actor Yonas Kibreab. Norris shares, "I started acting professionally in the Bay Area when I was a kid. My first role was on Nash Bridges playing a kid who was falling into the wrong crowd and Nash set me straight. I remember how exciting and fun being on set felt, and how fun it was working with all of the adults. Now, here I am playing the cop on a show with a young kid. It was so nostalgic and fulfilling to work with him."

Up next, Norris premieres all-new Season 2 episodes as the creator and host of the insightful podcast *Industry Town*, kicking-off with special guest Lukas Gage from *Euphoria*. The show
