

Chambless Johnston Featured in Exclusive Interviews with Kivo Daily and Newswire

JOHNSON CITY, TENNESSEE, UNITED STATES, March 22, 2021 /EINPresswire.com/ -- Renowned CEO and Founder of East Tennessee Recovery, Chambless Johnston, was featured in exclusive interviews with [Kivo Daily](#) and [Newswire](#). In the interviews, he highlights what separates his organization from others and what makes the healthcare sector such an exciting industry to be in.

When asked what makes East Tennessee Recovery different from other substance abuse treatment centers, Dr. Chambless Johnston answered, "We are a true integrative model of addiction treatment, mental health, and primary care. We [get] to know our patients needs and treated them as if they were family."

Dr. Chambless Johnston started East Tennessee Recovery in 2012 to "get away from the cookie-cutter approach to addiction treatment". His practice offers a variety of services, from mental health and physical care to helping his clients integrate back into society.

When prompted on the future of his business, Chambless Johnston replied, "My goal is to get as many people as possible with addiction issues to access treatment". In the Kivo Daily Interview, Dr. Johnston explains that in addition to expanding his practice, it is also a goal of his to educate communities on addiction so that the continuum of care can be a collaborative effort.

Dr. Johnston also had some parting words of wisdom for new entrepreneurs.

"Sometimes you just got to jump in headfirst and sort it all out on the fly. It may seem scary to jump in without any safety net, but if you have done your due diligence with research, your concept should get off the ground- even if that means altering methodologies as you go."
