NASHVILLE, TN, USA, April 1, 2021 /EINPresswire.com/ -- Prophecy USA is proud to present the eye-opening new book *The Hour That Changes Everything* by Richard Pearson. This new book unveils the hidden mysteries of America's role in Bible Prophecy, and helps us discover where we stand on God's ticking prophetic time clock. *The Hour That Changes Everything* and a companion [Study Guide](#) will be available on April 1, 2021 at Amazon.com and Prophecyusa.org.

Prepare yourself for one of the greatest events in Bible prophecy. The United Nations has a 2030 agenda. The World Economic Forum has "The Great Reset." The Covid-19 pandemic has an accelerated mandate. But as the New World Order plans their world without God, nothing will be accelerated faster than the prophetic word God has spoken to the United States of America. It will be the hour that changes everything.

In 1986, Pearson had a spiritual experience that left him awestruck concerning things coming to North America... specifically, the United States of America. Pearson received personal counseling from Oral Roberts, who encouraged him to write down the prophetic images he was seeing. In his new book, Pearson documents in scripture every thing he was shown that is coming to the USA. Some events have come to pass, some are taking place and still others are awaiting fulfillment. Pearson's goal is to clearly unveil in scripture the hidden mystery of America's role in Bible Prophecy.

"If you wonder what is happening to America, "The Hour That Changes Everything" will reveal to you what the Bible says is happening to the most powerful country in the history of mankind,"
