

# Indiana US Navy Veterans Mesothelioma Advocate Urges the Family of a Navy Veteran with Mesothelioma to Call Attorney Erik Karst of Karst von Oiste To Ensure a Better Compensation Result That Might Exceed \$1,000,000

INDIANAPOLIS , INDIANA , USA, July 19, 2021 /EINPresswire.com/ -- According to the Indiana US Navy Veterans Mesothelioma Advocate, "Our top priority is doing everything possible to see to it that a Navy Veteran with mesothelioma receives the best compensation result-which in many instances might exceed a million dollars. In the instance of a career Navy Veteran the compensation might be in the millions of dollars. To get the financial compensation job done for a person like this in Indiana-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303-so at a minimum he can explain how mesothelioma compensation works.

"We are urging the family of a Navy Veteran who has just learned that he has mesothelioma to not act impulsively and to start ordering nonsense such as mesothelioma compensation calculators, kits, guides, publications--that require you to give a law firm all of your contact information. On the topic of nonsense-do not hire a local car accident attorney-who will sell your case to a firm that might know what they are doing. A person with mesothelioma and or their family need honest answers from a lawyer who knows what they are doing. If your husband or

dad is a Navy Veteran with mesothelioma in Indiana-and you want honest-well informed answers about mesothelioma compensation, how it works along with what his claim might be worth-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. We think you will be glad you did."
