"Many Miramar residents get quite frustrated when they try to deal with an insurance claim for a home issue," explained Christian Hernandez, Director of All Claims Solutions. "Our new information page helps them understand what an insurance adjuster is and how an insurance adjuster can help them secure what they are owed by an insurance company."

Interested persons can visit the new page at <https://allclaimssolutions.com/what-is-an-insurance-adjuster/>. That page explains what an insurance adjuster

can do for homeowners and businesses in Weston, Miramar, and all of Broward county. One good step is to reach out for a private one-on-one consultation to assess a claim and brainstorm next steps. Secondly for specific topic areas, users can check out key pages such as [water damage](https://allclaimssolutions.com/typesofclaims/water-damage/) claims (<https://allclaimssolutions.com/typesofclaims/water-damage/>) or [storm damage](https://allclaimssolutions.com/typesofclaims/storm-damage/) claims (<https://allclaimssolutions.com/typesofclaims/storm-damage/>). Even more importantly,

persons can realize that insurance companies do not necessarily easily pay claims without the pressure of a professional insurance adjuster.

## HOME AND BUSINESS CLAIMS AND THE NEED FOR AN INSURANCE ADJUSTER

Here is background on this release. Home and business owners in Broward county face difficulties if they try to submit an insurance claim. In many situations, things go smoothly. But in many others, they do not. The insurance company may "low ball" the amount to be paid and otherwise create obstacles. The average person may have difficulty fighting with high-paid and experienced personnel employed by the insurance companies. Reaching out to an insurance adjuster is an important step towards securing one's rights. For these reasons, All Claims Solutions is proud to announce a new update to their website.
