

# Illinois US Navy Veterans Mesothelioma Advocate Has Endorsed Attorney Erik Karst of Karst von Oiste to Ensure a Navy Submarine Veteran with Mesothelioma Receives the Best Compensation-It May Exceed a Million Dollars

CHICAGO , ILLINOIS , USA, July 22, 2021

[/EINPresswire.com/](https://www.einpresswire.com/) -- The Illinois US Navy Veterans Mesothelioma Advocate says, "If your loved one is a Navy Veteran with recently diagnosed mesothelioma anywhere in Illinois-especially if he served on submarines-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 to discuss financial compensation that might be in the millions of dollars. As Erik Karst is always happy to discuss mesothelioma compensation is based on how, where a when a person with mesothelioma was exposed to asbestos. Unlike a surface ship-a Navy Veteran who served on a submarine would not have been able to go on deck for a breather-especially when the submarine was on patrol. If the boat was in a shipyard undergoing repairs-frequently the crew may have been required to stay on board. In this instance the asbestos exposure may have been extreme.

"A Navy Veteran with mesothelioma who served on a submarine might get a compensation package in the millions of dollars if they stayed in the navy for a decade plus-because they probably would have

served on different submarines-and they may have been in more than one shipyard. The Navy Submarine Veteran with mesothelioma we are trying to identify would have served in the navy in the 1950s, 1960s or 1970s and they might be around 72 years old. If the person we have described sounds like your husband or dad in Illinois or anywhere in the nation-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. We think you will be glad you did." [www.karstvoniste.com/](http://www.karstvoniste.com/)
