

Plant Based Stock Link Reservations Inc/LinkResPet (\$LRSV) Prepares to Launch Immunity Boost Functional Mushroom Product

Link Reservations Inc. (OTC: LRSV), is preparing to launch its first functional mushroom product, DailyLife CBD Immune.

LONDON, UK, UNITED KINGDOM, March 24, 2021 /EINPresswire.com/ -- Breaking Health and Wellness functional mushroom stock news from Investorideas.com Newswire - Link Reservations Inc. (OTC: LRSV), a provider of wellness and cannabidiol (CBD) products for both humans and pets, announces the company is preparing to launch its first functional mushroom product, DailyLife CBD Immune. The new tincture product, tailored for people, will feature both CBD and a wide spectrum of functional mushrooms (including Lion's Mane) which help boost the immune system.

"This is an exciting first step for the Company and we are thrilled to soon bring to market our first CBD mushroom product. Our focus has always been on providing high quality products that can help people benefit from the power of natural ingredients, and that is what we have aimed for with this product," commented Rene Lauritsen, Link Reservations Inc CEO. "Understandably, people are focusing on their health now more than ever and looking for ways in which they can boost their immunity, particularly in a natural way. Our goal is to fully satisfy their need with this new product. We have been researching the benefits of functional mushrooms for the past few months and have developed a product that will harness their power," added Lauritsen.

As the world continues to reel from the Coronavirus pandemic, and learns to live with the virus, many people are focusing on different ways to boost their immune system. According to Rick Miller, Associate Director of Food & Drink Specialised Nutrition at Mintel, the majority of consumers in Europe purchase vitamins, minerals and supplements that strengthen the immune system, while in the US, 35% of consumers think products that support the immune health

would motivate them when making a purchase.

DailyLife CBD Immune will feature an organic blend of 13 different medicinal mushrooms, including Lion's Mane, Turkey Tail, Chaga, Red Reishi and Cordyceps, amongst others. By focusing on a variety of mushrooms the product is able to encompass multiple immune boosting traits and benefits. In addition, DailyLife CBD Immune also includes 250mg of hemp oil CBD extract and 100mg of vitamin C, which will add to the immune boosting benefits.

"We are confident that this product and our future ones will have a very warm reception in the market, and we look forward to sharing more developments as they arise through press releases," ended Lauritsen.
