

Digital Pi Names 2021 PiPerformers

The award recognizes professionals who drive best practice marketing and operations to help their companies thrive with digital transformation.

DALLAS, TX, UNITED STATES, March 25, 2021 /EINPresswire.com/ -- [Digital Pi](#) has proudly introduced the 2021 PiPerformers.

The PiPerformer award, submitted through a nomination process, recognizes professionals who drive best practice marketing and operations to help their companies thrive with digital transformation. PiPerformers represent the best of Digital Pi's customers, who provide thought leadership and inspire change within their organization. The mission of the award is to shine a spotlight on customers' successes to inspire innovation in marketing.

The online nomination process allows current Digital Pi clients to get the recognition they deserve, and also gives Digital Pi employees and partners a chance to nominate customers that are exceeding their digital transformation goals.

The nomination process asked applicants if they, or someone they would like to recognize, had:

- Created an amazing marketing program that brought results
- Brought change to Marketing and Sales alignment, or
- Used analytics to drive decisions around best practices

This year's PiPerformer winners will receive bragging rights and a trophy package.

"The [2021 PiPerformers](#) are an incredible crew. Many of our winners engaged with us in one of the most challenging seasons of their career, facing a need to maintain productivity with fewer resources. This year's PiPerformers exhibited courage, creativity, and leadership in the strange landscape of 2020," said Ryan Vong, President, and CEO of Digital Pi.
