On March 11 President Biden signed into law the American Rescue Plan Act of 2021. It includes \$28.6 billion for the [Restaurant Revitalization Fund](#) (RRF) which supports more than just restaurants! The RRF helps wineries, breweries, tasting rooms, food carts and more. Join us to find out the details.

Pull up a seat and get ready to be served a healthy plate of information on the Restaurant Revitalization Fund and how it works with PPP loans and the Employee Retention Credit.

Learn more about how to use these funds to support your food or beverage service business financially and make your profits sizzle.

Topics include:

- [RRF eligibility requirements](#)

- How restaurants and other businesses that serve food or beverages on site can use grant funds
- What you can do now to prepare for the application process
- What you need to know about how PPP Round 2 and the Employee Retention Credit work with the RRF

And of course, just like in our previous webinars, we will devote a generous portion of the program to answering your questions.
