“San Mateo boasts nearly perfect weather and a relaxed, easy-going environment that is perfect for the business traveler who needs short term [corporate housing](#) that is also furnished,” explained Bob Lee, President of Key Housing. He went on in detail: “As California reboots after the Pandemic, we're seeing strong interest among corporate travelers both in the United States and from overseas who want to avoid crowded hotels and have that 'home away from home' feeling one can get a premium complex. ”
