Since 1840, the history and the charm of Bagno Elena lay in the beautiful bay of Palazzo Donn'Anna, in Posillipo (Napoli). During the day, it is a beach resort, after the sunset, it becomes, as if by magic, an extremely versatile private space, where the host is the beach and the beach becomes an event. A piece of history overlooking modern times, where the host becomes the beach and the beach becomes the lounge.
